Saturday 11:00 - 11:45

The Little Dragons program enhances positive development in a fun and motivating environment. These skills are developed through Sensei Fonseca's positive and encouraging instruction.

YOUTH / ADULT KARATE AGES 7 & UP

Tuesday and Thursday 4:45 - 5:30
Saturday 12:00 - 1:00

In this class, students learn the blocks, strikes and techniques necessary to advance through the ranks of the traditional Japanese art of karate. Taught by World Champion Sensei Fonseca, students are challenged towards their personal best and provided with the opportunity and experience to foster a strong belief in themselves. In addition to developing self-confidence, physical fitness, focus, self-defense and safety skills, this class introduces students to traditional Japanese language and culture, while building respect for themselves and others.

SPORT KARATE AGES 10 & UP

Tuesday and Thursday 5:30 - 6:30

Sport Karate is an exciting new class for all ages and levels. It is one of the most popular sports in the world, and one of the few sports in which there are no "benchwarmers"—every student can fully participate at their own pace. Regardless of whether you want to become a competitive athlete, learn self-defense techniques, or simply become more physically fit, this program will help you achieve your goal. A great class for kids and adults taught by America's most decorated male karate athlete.
