

How Will Your Child Benefit?

FROM ELITE'S SUMMER PROGRAM

- By developing practical self defense skills
- By achieving new levels of confidence in themselves and others
- By developing new friendships with students and teachers
- By staying active through the vacation period
- By increasing focus and attention span for future development

And most of all, by having positive
summer fun all summer long!

THE JOURNEY TO EXCELLENCE

Strive for betterment of character

Protect the way of truth

Foster the spirit of effort

Respect others

Guard against impetuous courage

WEEKS OF SUMMER FUN!

This summer, experience the art of karate with all your friends at Elite. Have your children learn self-defense while having a great summer.

Camp activities are designed to reinforce successful life skills such as leadership, problem solving and relationship skills. Each week will be filled with karate instruction, exercise, games, arts & crafts and more!

Students of all ages and levels will be able to participate and advance through this program. Each child will strive to reach individual goals of excellence.
