Membership Dues can be paid monthly or annually for a discounted rate. These dues are for membership at our Chicago location, and not for attendance. If you are on a basic 1 x per week membership, there are no make-ups for classes. You cannot receive credits for classes missed. However, you are also not locked into a particular class/day of training. If you miss a class on a basic membership, you can attend another class during that week. All pay-in-full's are non-refundable. For rate information, or to upgrade/downgrade your current membership, you can speak to one of our staff members or visit our *secure login* section on the website. If membership is paid monthly, you are required to leave a credit card on file. However, you can always choose to pay cash or check before your billing date matures, if you prefer. If you would like to place your membership on hold or cancel, 30-day written notice is required. The account hold and cancellation forms can be found online in the *Resources* section of the website. The minimum time a student can place their membership on hold is for one month. Membership can only be placed on hold twice per year. There is a \$15 per month account hold fee, which can be used as a credit towards a private lesson with the instructor of your choice upon your return.
